

INSTRUCTIONS FOR PROVIDERS

PHRAnywhere is a Personal Health Record that can provide several benefits for your practice. Not only does it not cost you anything to use, but it can provide you with real-time information including:

- Demographics
- Insurance Verification
- Formulary
- Prior Authorizations
- Allergies
- Medications
- Claims
- Wellness & Disease Management
- And Much More...

The form shows the 'PROVIDER LOGIN' section with fields for 'Username:' and 'Password:'. Below these fields is a checkbox for 'I agree to the Usage Agreement and Acknowledgements.' and a 'Sign In' button. A red arrow points from the 'Sign In' button area down to a 'Provider Registration' link.

1. To get started go to www.phranywhere.com
Click on the **Provider Registration** link under the **Provider Login**

2. Fill out the **Registration Form**. This takes about 2 minutes.

The registration form includes the following fields: Physician First Name, Physician Last Name, Address 1, Address 2, City, State (dropdown), Zip, NPI # (level II), Tax ID, and License Number.

The search form is titled 'PHRAnywhere Member Search' and 'My Patient's Search'. It prompts the user to 'Enter all fields to search member' and includes input fields for: PHRAnywhere Card #, Subscriber Number, DOB, Zip Code, and Physician Key. There is a checkbox for 'I acknowledge that I am a treating provider of this patient' and 'Search' and 'Cancel' buttons.

3. Once you are logged in, simply search for the member using the **PHRAnywhere Member Search** feature.
